

LAUNCH THE POWER OF X

We've talked about the Power of Mac OS X before, but what does it really mean? It means you have two killer machines in one. It's not just a Mac, it's also a UNIX Server with all the high-powered capabilities therein.

In this issue:

- [Mac OS X Web Serving](#)
- [Mac OS X Shortcuts](#)
- [Web Development Talk](#)
- [What Do You Think?](#)
- [Half-off Training](#)
- [Hot Links](#)

With that in mind, we'll be expanding our coverage in the coming months to include tips and suggestions for developers and IT professionals. But don't worry, we won't slack off on the fun things we talk about — All work and no play makes the Rocket Report a dull newsletter.

Run Apache, PHP, MySQL with Mac OS X

It's time for development pros expected more from a single machine. Mac OS X lets you code your PHP and MySQL sites like normal, then test and publish them on the Apache server included on Mac OS X. Once you have everything on one machine, you'll never want to go back. This list of Web resources shows you how to install and configure everything to [unleash UNIX on your Mac](#).

Command-O Your Mind

There are times when you're working at warp-speed, and moving your hand from the keyboard to the mouse takes entirely too long. At these moments, you need a [good Mac OS X keyboard shortcut](#). Use this list.

Web Development Brown-Bag

Why just read about it when you can also talk with experts and your peers about using Mac OS X for developing dynamic sites? You bring your lunch, and we'll bring the Keynote presentation about using UNIX, Apache, PHP and MySQL on Mac OS X. Join us for this [free lunch-time discussion April 7](#).

IN-PLANET TUITION AT THE MACFORCE ACADEMY

HALF-OFF CLASSES FOR ROCKET REPORT SUBSCRIBERS

Instructions

1. Subscribe to the *Rocket Report* if you haven't already.
2. Register for a class during March or April at <http://schedule.macforce.com>
3. When you pay for the class, mention this offer and tell us your e-mail address.
4. Receive a 50 percent discount on the fee.

Classes are subject to cancellation. We will strive to give you as much notice as possible and refund your fee in the event of a cancellation.
